River's Help Center contains answers to frequently asked questions. If you cannot find an answer there, you may contact Client Services by email at any time or by phone during business hours. Email responses are typically followed up within 24 hours.

Security & Communication Notes

- Official River emails are sent from the @river.com domain.
- River uses BIM (Brand Indicators for Message Identification); major email providers may display River's verified logo or a blue checkmark next to authentic emails.
- River states it will never call you unsolicited. Any unexpected call claiming to be from River should be treated as illegitimate.
- River may send automated text messages for security purposes (e.g., two-factor authentication codes). These are one-way and cannot receive replies.
- If you receive a suspicious message or email, contact support@river.com to verify its authenticity.
